

Sub Regional Link Worker Service

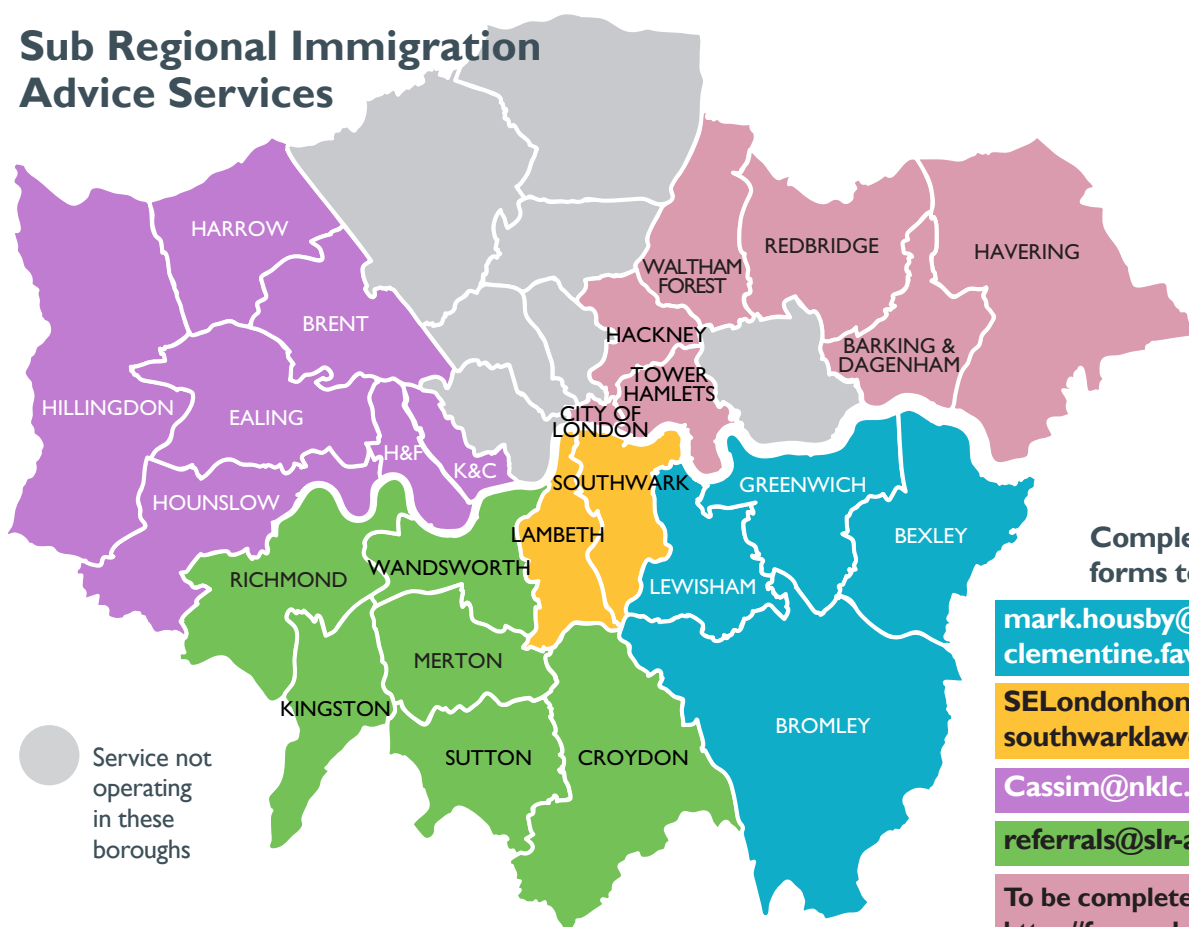

The Sub Regional Link Worker Advice Service is a pan-London service that works alongside sub regional immigration advice services.

Each sub region will have a designated Immigration Link Worker who will help support joint working between the immigration advice provider and the homelessness sector and help develop best practice and ensure:

1. Every individual is able to engage with advice regardless of other support needs
2. Homelessness professionals feel confident working alongside immigration providers
3. Routes away from the streets for individuals who do not have recourse to public funds are maximised.

Sub Regional Immigration Advice Services

You can contact the team by emailing subregionallinkworkers@mungos.org. Your Immigration Link Worker will be in contact with referral boroughs to explain how we can support you. If you have any questions relating to the service or any questions in getting access to immigration advice, please contact us.

If you do not have a referral form, please email subregionallinkworkers@mungos.org
